

# MAKE YOUR OWN ANTLEERS HEADBAND

## WHAT YOU'LL NEED:

- Headband
- Marker
- Red pom-poms
- Craft bells
- 4 pipe cleaners
- Scissors
- Quick drying glue
- Brown and green felt

AND SOME COLOURED RIBBON TO COVER THE HEADBAND

## WHAT TO DO:

1. Ask a grown-up to help you cut out all the pieces from the template provided.
2. With a marker, trace around all the template pieces on the coloured felt and cut them out.
3. Take one pipe cleaner and bend it into an antler shape. Keep it in from the edge so you'll be able to glue another layer of felt on top.
4. Add another pipe cleaner through the first one, as shown, leaving the ends hanging down below the end of the antler. Glue the pipe cleaners onto the felt.

5. Glue a second piece of felt on top to finish the antler. Repeat steps 2 to 5 for second antler.

6. Curl the pipe cleaner ends around your headband and hide the pipe cleaner by covering your headband with some ribbon.

7. Cut 4 green felt leaves using the template and glue to the base of the antlers. Then add 3 little red pom poms on each side.

8. Finally (and optional if you want 'silent' antlers) gluing 2 little bells on each antler.
